

FELBRIDGE PARISH COUNCIL - LIST OF OUTSTANDING SURREY HIGHWAY REPAIRS

<u>Date Reported</u>	<u>SCC Ref. No</u>	<u>Nature of Reported Repairs</u>	<u>Comments from Surrey Highways</u>
Feb	1134469	Drainage issues near to 25 Copthorne Road	Householder has reported that they consider there to be a flooding risk to properties near this section of the A264. Also reported by County Councillor. SCC say their records show that the gullies were clear when last checked in August and they will investigate when resources permit.
Feb	Email	VAS near to Lingfield Equine Vets on Woodcock Hill has stopped working.	Acknowledged
Feb	Email	New double yellow lines on Crawley Down Road are wearing away within weeks of being painted	All recently painted double yellow lines in Tandridge will be repainted since SCC's contractor did not complete the works to an acceptable level. No date available.
23.1.19	1125954	Damaged tree on the verge. Copthorne Road near Lyndhurst Farm Close	Highways visited on the same day and made the area safe.
17.12.18	1123501	Fallen tree blocking footpath between Furnace Wood and Garage	Cleared
29.11.18		Road sign outside Felbridge School is damaged	Highways will not replace since there are signs at either end of the road so the signage is compliant.
23.9.18	1098245	Bollard outside the Star Inn has been knocked over and is lying on the pavement	Repaired
3.9.2018	1097078	Footpath outside 4A Rowplatt Lane damaged during redevelopment. Originally reported under 1071264 in June.	Resurfaced
8.6.18	N/A	Confirmation that Crawley Down Road would be included in the schedule of B roads to be resurfaced by SCC. Pot holes have been filled but the road has not been resurfaced.	Should have been included in first set of works confirmed 8th June. UPDATE: SCC have cancelled resurfacing works. No further information is available.
12.4.18	1053931	Damaged footpath next to school by the bus stop. There is a dip (like a pot hole) which floods when it rains.	Acknowledged – SCC can find no damage.
10.3.18	709099	Damaged road sign at the junction of the A22 and Wiremill Lane – sign is lying on the ground	Will be replaced
11.8.17	1021230	Sunken road at 36-38 Copthorne Road reported 29.3.17 ref no. 1008512. Developer made a temporary infill,	Not considered in need of attention.
10.8.17	HEWS-91683547452	Follow up on broken VAS on Copthorne Road.	VAS is now working but was not repaired. SCC keeping the VAS on their repair/replace list.
June-Sept	Ref District Councillor	Loose material left on road surface on Mill Lane following works. Reported to LS.	Contractor was resurface the road in the Spring – it is not expected that remedial work will now take place
7.4.17	ME-353437	Removal of now redundant safety barrier on A264 to the rear of the Village Hall grounds. New fence now in place.	Site Visit : Will be removed but not considered urgent.
21.02.17	991805	Temporary repair to the road surface on A22 Woodcock Hill repaired under reference 309353-1 now breaking up.	Does not meet our requirements for remedial or maintenance work at the present time.
26.2.16	SQ-915135	Road surface at Star Crossroads A264/A22 outside Hydropool	Acknowledged. No safety defect found. The road will be

		Spa is broken and uneven. This is a particularly busy junction.	inspected monthly.
